

SLEEPLESS

Executive Summary

The Company

Sleepless is South Africa’s premier event discovery and ticketing platform, connecting millions of entertainment seekers with the events they love. From daytime festivals and pool parties to evening concerts and late-night experiences, Sleepless is the one-stop destination for discovering, booking, and experiencing events across all nine provinces.

The Opportunity

Market Metric	Value
Total Addressable Market	R40+ billion
Target Users (18-45)	18 million
Annual Market Growth	8-12%
Current Digital Penetration	<15%

South Africa’s entertainment market is massive yet fragmented, with no dominant mobile platform serving event discovery and ticketing.

The Problem

For Event-Goers: Events are scattered across social media, discovery is fragmented, ticket fraud is rampant, and there’s no personalized experience.

For Organizers: Limited reach beyond existing followers, manual ticketing processes, zero analytics, and high no-show rates.

Our Solution

A comprehensive mobile platform featuring smart event discovery, secure QR-coded tickets, seamless payments, social features, and powerful organizer tools—all in one beautiful app.
